

Chicago School of Golf Private Lesson **Special Pricing!**

Meet new staff member Ethan Francis...

Ethan Francis began his competitive golf career at the age of nine with his first win at age eleven. He continued with successful high school and college careers while participating in the IJGA, AJGA, Junior PGA, IHSA and CCIW associations. This not only gave him invaluable experience on numerous courses throughout the Midwest, it instilled in him the importance of practice and learning new skills and techniques to continually improve his game. His work teaching during college continues to inspire him to teach and work with people. Continuing with this success Ethan enrolled in the PGA Apprentice program and passed his PAT in September. After working as an Assistant Golf Professional at the Glencoe Golf Club Ethan decided to get into teaching full time with the Chicago School of Golf where he looks forward to working with people of all skill levels and ages. Ethan is a part of the PGA of America and certified under the Titleist Performance Institute (TPI). Lessons are located at Sky Fitness in Buffalo Grove.
