Buffalo Grove, IL 60089

Dear Sky Fitness Members & Guests:

In 2024 Sky Fitness will continue to be a local leader in offering a premium experience and value in the Health & wellness industry. We aim to provide an exceptionally clean and functional fitness facility for those seeking an outlet from their everyday stresses, while providing an environment for those seeking long-term wellness. We are grateful to all of our loyal members for the continued support.

Sky has made the necessary decision to modify our pricing next year. Like many other businesses in our industry we must modestly adjust our pricing to account for State authorized mandatory wage increases, inflationary cost of water usage, natural gas, electricity and taxes to name just a few of the significant increased expenses. Beginning next year effective Jan 1, 2024. Our membership rates will increase by approximately .25 cents per day. Individual membership will be \$96.00 monthly, corporate rate will be \$85.00 monthly and Pickleball rate will be \$65.00 monthly. Couples rates, family rates will also be adjusted. Annual rates will remain the same, but will only be 12 month annual agreements. A detailed price list can be attained at our front desk.

We want to assure our members that we will continue to upgrade and update the overall club experience. We already have a couple exciting projects on the horizon and we will update the community as plans become more concrete.

Thank you all so much for your continued support! We look forward to this next decade of fitness, health, wellness for our entire community!

Sincerely Larry Heller

Executive Director of Sky Fitness
