Group Fitness Classes

Back to the Basics: Cardio & Strength endurance based body weight only class.

BARRE: In this 45 minute class you will use light weights, resistance bands, piltaes balls, and bodyweight to burn out targeted muscle groups with lots of reps, small pulses and isometric holds

BARRE Core: A high-energy & dynamic class that integrates elements of Pilates, dance, cardio, & strength training. BARRE Core is geared towards everyone!

Cardio, Strength, Balance, & Flexibility: This class combines basic cardio elements with strength training exercises, also alternating balance aspects and utilizing movement strength. Focusing on a fantastic stretch in the end!

Fitness for Life: This class is a combination of cardio, strength, balance, and Flexibility. The class is designed for those that prefer a workout without the added impact to joints.

Group Active: A simple and athletic program drawing from all four elements of fitness: cardio, strength, balance, & flexibility.

Group Blast: An energetic cardio workout using the STEP to train fitness, agility, coordination, & strength.

Group Centergy: Re-define yourself with Group Centergy. Grow longer and stronger as you explore this 60 minute journey of yoga and Pilates movements.

Group Core: Train like an athlete in 30 minutes. Expert coaching and motivating music will guide you through functional & integrated exercises using body weight, weight plates, a towel and platform. Improve your performance, get ripped abs, and get Hard Core!

Group Fight: is a gripping hour that builds cardio fitness, total-body strength, and coordination. Combine the hottest, adrenaline-fueled MMA movements from the boxing ring to the fighting cage with cutting-edge exercises from outside the octagon. Thrilling music and motivational coaching will get you fighting fit.

Group Power: A results driven strength training workout utilizing an adjustable barbell, weight plates, and body weight

HIGH Fitness is a popular, choreographed high-intensity interval training (HIIT) workout set to music, combining aerobics with strength and cardio moves for a full-body, high-energy experience. It emphasizes both fitness and fun, often featuring popular music and intense, easy-to-follow routines.

Mat Pilates : This core-strengthening workout focuses on control of your trunk and abdominals. Specific movements are taught on the mat to improve your posture and strengthen your “powerhouse”

Peak Performance: 60 minute group Functional Training interval class led by a certified personal trainer. Train both cardio & strength in a group setting. Enjoy this unique class that will challenge you in the best ways!

Revive: A full body stretch routine to improve flexibility and posture through a series of self myofascial release “Holds” utilizing the barre, foam roller, and small ball.

Group Fitness Classes

Tabata Cardio & Strength: Tabata is 20 seconds of high intensity fat burning exercise utilizing simple athletic movements followed by 10 seconds of rest. 8 rounds followed by 1 minute of rest. (This is Cardio & Strength)

Total Body Cardio & Strength: Using a mixture of body weight, gym equipment, and unique gym built-ins, this hour long class is a full body workout that incorporates, strength, cardio, core, and balance, in a station based class.

WerQ: A fiercely fun dance fitness workout class based on pop, rock, and hip hop music.

WerQSTRONG: A blend of the signature WERQ dance cardio format with strength building intervals.

Zumba: “Ditch the workout, join the party” for an hour of hypnotic Latin dance rhythms and easy to follow dance moves!

Aquatic Classes

Aqua Fit: This is an advanced water class, similar to Tabata on land, but utilizing the water and a variety of equipment.

Aqua Sculpt: This class is a practice enjoyed in pool. Regular aqua aerobics mixed with bands, straps, and aqua weights to help tone the body.

H2O Training: A challenging water workout, fit for everyone, especially those interested in muscle endurance, strength, and flexibility.

Total Splash: A high energy aqua class that incorporates great music, choreography, and advanced muscular training. Excellent cross training, as well.

Aqua Zumba: blends the Zumba® philosophy with water resistance, for one pool party you shouldn't miss! There is less impact on your joints during an Aqua Zumba® class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles.

Sky Yoga Classes

Flow with Weights: Flow seamlessly through yoga-inspired sequences while incorporating hand weights.to build strength, improve endurance, and enhance stability.

Gentle Sky Yoga: A great class for beginners. You will move your body in a gentle comfortable way. Pose modifications will be offered, so that everyone, at every fitness and comfort level, can participate.

Hot Sky Power Yoga: is a challenging vinyasa flow class designed to improve strength, endurance, flexibility, and mobility. Intelligent sequencing focuses on full body engagement and breath led movement to leave you feeling empowered. Come to class hydrated and ready to sweat! **103 degrees**

Hot Mat Pilates: is a high-intensity, low-impact workout performed in a room heated to approximately **95-100 degrees**. Combining Pilates principles (core strength, control) with interval training (HIIT), it focuses on rapid, rhythmic movements to sculpt muscle and boost heart rate while protecting joints. **103 dgrees**

Hot Yogalates: s a high-intensity, low-impact fusion class combining Yoga principles with Pilates in a heated room (**103 degrees**) to build strength, flexibility, and endurance. **103 degrees**

Sky Yoga Classes

Restorative Sky Yoga: This class will offer you some Restorative Yoga, some Yin Yoga, and Meditation. A wonderful experience guaranteed. All you need is an open heart. No experience necessary. All Levels welcome.

Sky Stretch, Recover, & Restore: This studio class blends yoga, functional movement, and gentle floor based work to improve joint health, mobility, and overall range of motion for daily life and athletic performance. Using props and targeted drills, we focus on hips, shoulders, ankles, hamstrings, chest, and back to encourage ease of movement, and support recovery while reducing pain and calming the nervous system. Slow, supported poses are paired with peaceful rhythms and healing sounds to quiet the mind and soothe the senses, leaving you feeling empowered, refreshed, and deeply restored.

Sky Yoga Level 1: The basics and fundamentals of yoga poses are introduced. Learn the process of proper alignment in the poses, breathing techniques, and the use of props. This class is designed for beginners, as well as the seasoned practitioner.

Sky Yoga Level 1-2: This class is designed for those who have had more exposure to yoga and have begun to explore a wider variety of postures and styles. The intermediate student understands the relationship between breath and movement.

Sky Yoga Flow Level 1-2: The concept involves moving through traditional yoga postures with breath-synchronized movement, using the breath to deepen stretches and build strength.

Sky Yoga Sculpt: Yoga Sculpt is an invigorating class designed to empower your mind, ignite your spirit and build strength by combining Yoga and hand weights set to an energizing playlist designed to carry you through class. We start with a dynamic Yoga flow warm-up, then weighted exercises are incorporated to increase strength, and class ends with a yoga cool down to reset and restore. This class is the perfect compliment to your yoga practice and fitness routine. All levels welcome! (85 degrees)

Warm Sky Slow Flow & Stretch: A warmer (**80-85 degrees**) slower flow yoga practice with additional flexibility postures in a heated environment.

Warm Sky Yoga Level 1-2: This warm(**80-85 degrees**) class is designed for those who have had more exposure to yoga and have begun to explore a wider variety of postures and styles. The intermediate student understands the relationship between breath and movement.

Yin Yoga All Levels: A class focused on lengthening the muscles and targeting deep connective tissue by holding poses for longer periods of time; mostly done supine, seated, or with use of props.
